Dear Ms. Kauten:

Thank you for your willingness to serve on the Pinellas County Economic Development Council (PCEDC) for a two-year term. Your leadership in our community was recently recognized by the Pinellas County Commission through a unanimous vote of your appointment to this critical endeavor.

As indicated previously, we will respect your time and talents! Meetings will be scheduled twice a year with specific agendas and advance notification. Our next meeting is scheduled for April 12th at 7:30 a.m. at the Epicenter. In between meetings, we may call you personally to request your help on retaining and recruiting businesses, surveys, current market conditions and other advice. We also want you to contact us if there is something happening in our business community that should be noted or that would benefit from our assistance.

You are very important as you can share with us what needs to happen to support prosperity for Pinellas County. We need your input.

Again, thank you for your leadership and for your business. You make good things happen for our community.

Sincerely,
